Extended opening Station service	675 SEK/half hour per traffic officer
----------------------------------	---------------------------------------

*Note 1:* Extended or Extra opening can be arranged after request to TWR. It should be made during day time in advance. Minimum number of crew is one Air Traffic Controller and one man at runway clearance, even if RFF is not needed according to TSFS. Extra runway snow clearance personnel might be required depending on weather conditions. (The charge for runway service is the same as for RFF (Fire and Rescue).

*Note 2:* The minimum charge for Extra opening is 6 half hours even if less time is used. If the opening concerns a longer period than 6 half hours there will also be a charge for every new period of one half hour. (Please see the rate of Extended opening.) Included is minimum 30 minutes before ETA/ETD and minimum 5 minutes after ATA, and minimum 15 minutes after ATD. In addition there are 10 minutes finishing time. Landing fee and charges for other possible services are added according to the price list.

*Note 3:* During opening hours RFF according to category B4 (3 men) is provided. If higher category is requested we will charge You for every extra man, according to the rate for Extra opening.

For cat B6, 2100 SEK will be added.

Please contact the airport for details and price regarding stand-by for extra opening.
